STEP Phase 3:	<u>6</u>		
EDRD 340, ET 349, <u>and</u> STEP 363			
Total Semester Credits	15		14

Not every course is offered every year; specific courses of interest should be taken at your earliest convenience. Secondary teaching candidates must also demonstrate proficiency in oral speaking and should consult with their advisor about how to meet this requirement. The STEP program also requires enrollment in several "checkpoint" courses, which have zero credits but are used to help students maintain adequate progress toward licensure; consult with advisor for the timing of these.
